Summarize the AllyIn Compass kickoff memo

Answer

The AllyIn Compass kickoff memo outlines the launch of an initiative to evaluate smart assistant platforms that can integrate with internal knowledge bases and data systems. Key dates include the Discovery Period from May 15 to May 30, Stakeholder Interviews from May 17 to 20, and Phase 1 Pilot Delivery on May 31. The expected outcome is for AllyIn Compass to support natural language queries over documents, spreadsheets, and structured databases.
